# CENTURY OF THE SOLDIER

-conference 2017-

SATURDAY 23<sup>RD</sup> SEPTEMBER, 9AM-5PM  
ROWLEY'S HOUSE, BARKER STREET,  
SHREWSBURY, SY1 1QH

Helion and Company are proud to announce the third Century of the Soldier conference. This year's conference is being supported by the **Pike and Shot Society** and once again we will be at Rowley's House, Chester University's education hub at the heart of historic Shrewsbury. This year will see **The Cromwell Association**, **The Battlefields Trust** and the **British Civil Wars Regimental wiki research team** come and join us on the day.

We shall be joined at lunchtime by members of **Col. Nicholas Devereux's regiment** who will be giving a brief demonstration of the exercise of arms, and we are delighted to be joined by **Professor Peter Gaunt** of Chester University as our keynote speaker who will open the conference.

The end of session plenary will be hosted by **Professor Malcolm Wanklyn**. Once again, we have a wide range of papers covering a variety of topics, and many of the delegates will be publishing with Helion. It is intended that the day will offer a stimulating and informative environment, facilitating research and promoting interest in this most important and fascinating of wars in Britain's past.

The theme of this year's conference is **'Home and Away. The British Experience of War 1618-1721'**, and we will be launching new publications on the day with special introductory offers. Drinks will be available through the day and a buffet lunch will be provided.

**NEW RELEASES AVAILABLE AT INTRODUCTORY PRICES**
