#### 3. YOUR PROPOSAL

Please provide this as a separate document, preferably in MS Word or PDF format.

3A. A statement of aims including 3-4 paragraphs outlining the rationale behind the book

- Quite simply, what is your book about?
- What are its main themes and objectives?
- What are you doing differently, or in a more innovative way, or better than existing books?

### 3B. A detailed synopsis and chapter headings with an indication of length and schedule

- Please list working chapter headings and provide a paragraph of explanation on what you intend to cover in each chapter.
- If sample chapters, or a draft manuscript are available, please send them or let us know when they will be available.
- How many tables, diagrams and illustrations will there be?
- Roughly how many thousand words in length will your book be, including references?
- When will you be able to deliver the completed typescript? Please be as realistic as possible.

### 3C. A list of the main competing books

- We would like some indication that you are familiar with competition to your proposed book. What are their strengths & weaknesses? What makes your book better than the existing competition?

### 3D. Other matters

Please include a curriculum vitae.
